

May Meeting Announcement

Volume – 41, Issue – 6, June 5, 2025

Topic: Post-Tension Structural Systems (1 PDH)

The seminar will present post-tension structural systems for building structures. Post-Tension components, shop drawings and construction sequence and equipment will be presented along with numerous examples of post-tensioning under construction.

Speaker: J. R. Barden is a 2002 Graduate of Southern Polytechnic State University (SPSU) in Marietta, Georgia with a BS in Mechanical Engineering Technology. Since 2003 he has worked in paving, bridge construction and precast concrete construction. In 2016 he joined Tendon Systems, LLC which was acquired by CMC Cable in 2023. He is currently Sales Manager – Elevated Post-Tensioning for CMC Cable.

Date: June 19, 2025
